I really HOPE the US 395 Corridor Improvement INCLUDES...

The same speed limit for all vehicles. 65mph +

Why???

The vehicles of today are perfectly capable of driving/maneuvering @ that speed. Will reduce STUPID, DANGEROUS PASSING BEHAVIOR

It would be IDEAL if the US 395 Corridor Improvement Project ALSO INCLUDES...

NB + SB rest areas which stay open all year

Why???

Allows motorists to rest, have areas to SAFELY pull off, breaks up long, monotonous road stretches

I might be CONCERNED if the US 395 Corridor Improvement Project...

does not come to fruition

Why? Would anything minimize the concern(s)?

Yes - the development of the Coalition w/ powerful, dedicated members -> CA/NV at a minimum

My worst FEAR is that the US 395 Corridor Improvement Project...

will not come to fruition because of interference from Sacramento

Why? Would anything minimize the concern(s)?

Again, the coalition

Use the back side if needed to more fully explain!!!

I really HOPE the US 395 Corridor Improvement INCLUDES... 4-LANE HIGHWAY FROM HALLEZYAH JUNCTION TO SUSANVILLE.

Why??? PUBLIC SAFETY! TOO MANY ACCIDENTS DUE TO SPLIT SPEED LIMIT.

It would be IDEAL if the US 395 Corridor Improvement Project ALSO INCLUDES... PA BETTER MARKING IN DANGEROUS PASSING AREAS. BETTER MAINTENANCE.

Why??? PASSING ON CURVES IS TOO DANGEROUS.

I might be CONCERNED if the US 395 Corridor Improvement Project... FAILS TO ADEQUATELY ADDRESS PUBLIC SAFETY ISSUES; MAINTENANCE IS NOT DONE.

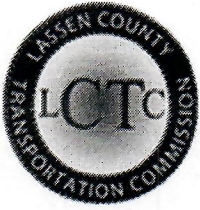

Why? Would anything minimize the concern(s)?

My worst FEAR is that the US 395 Corridor Improvement Project... WILL DO NOTHING AS HAS BEEN DONE FOR THE LAST 40 YEARS.

Why? Would anything minimize the concern(s)?

BETTER MAINTENANCE, BETTER MARKINGS

Use the back side if needed to more fully explain!!!

I really HOPE the US 395 Corridor Improvement INCLUDES... straight lines on 395

Why??? If you are not from here and familiar with the roads, when there is a turn lane off of 395 the lane jogs to the right or left. So at night it looks like the car is coming straight at you.

It would be IDEAL if the US 395 Corridor Improvement Project ALSO INCLUDES... Street lights at major Turn Intersections with Paved Roads.

Why??? It is really really dark at night and hard to see!

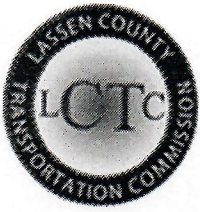

I might be CONCERNED if the US 395 Corridor Improvement Project... ?

Why? Would anything minimize the concern(s)?

I really HOPE the US 395 Corridor Improvement INCLUDES... A REST AREA ? THEY USE OUR DRIVEWAY

Why???

It would be IDEAL if the US 395 Corridor Improvement Project ALSO INCLUDES... A SMALL CENTER DIVIDER FOR USE IN SNOW REMOVAL

Why???

I might be CONCERNED if the US 395 Corridor Improvement Project... WHAT ABOUT MY ABILITY TO MAKE LEFT & RIGHT TURNS FROM OUR DRIVEWAY ?

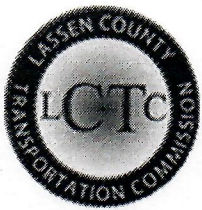

Why? Would anything minimize the concern(s)?

WHAT ABOUT A TURN LANE - NORTH / SOUTH

My worst FEAR is that the US 395 Corridor Improvement Project... IT MUST INCLUDE ONLY ONE SPEED POSTED - NOT TWO !

Why? Would anything minimize the concern(s)?

I really HOPE the US 395 Corridor Improvement INCLUDES... left hand turn lane to  
Traver Crossing Rd going South Put reflectors back at  
Also left hand turn to Cowboy Joe Rd going North Traver Crossing

Why???

Very dangerous to make a stop on 395/good way  
to get rear ended or killed.

It would be IDEAL if the US 395 Corridor Improvement Project ALSO INCLUDES...
