I really HOPE the US 395 Corridor Improvement INCLUDES... A common speed limit.

Why??? Not so much passing

It would be IDEAL if the US 395 Corridor Improvement Project ALSO INCLUDES... Concrete Barriers

Why??? They would not pass & side streets would have to turn with traffic to a spot to turn in opposite direction.

I might be CONCERNED if the US 395 Corridor Improvement Project... _____

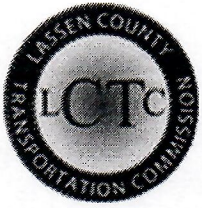

Why? Would anything minimize the concern(s)?

My worst FEAR is that the US 395 Corridor Improvement Project... would make us move or make more noise for our home. Putting up lighting that stays on all night.

Why? Would anything minimize the concern(s)?

Use of LED lights.

Use the back side if needed to more fully explain!!!

I really HOPE the US 395 Corridor Improvement INCLUDES...

Deer Fencing + Sound walls near Housley

Why???

It would be IDEAL if the US 395 Corridor Improvement Project ALSO INCLUDES...

Rehabilitating + Equestrian over or under Passes

Why???

Traffic Flow Now makes it a hazardous crossing now - widening would increase the risk greatly

I might be CONCERNED if the US 395 Corridor Improvement Project...

Flooding + Fire Hazards

Last year's Flooding was due to Cal Trans neglect!

Why? Would anything minimize the concern(s)?

The drainage pipes were full of sand + brush so when they were needed they backed up and created lakes and major wash out - That are still not repaired totally

My worst FEAR is that the US 395 Corridor Improvement Project...

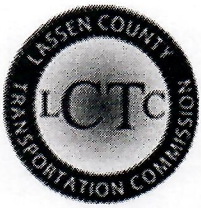

The Projected Roadwork

They would require half of my property and most of the repair set back

Why? Would anything minimize the concern(s)?

It would mean my Cottonwoods and oaks would be eliminated

I really HOPE the US 395 Corridor Improvement INCLUDES... *Passing lanes at more spots than now.*

Why??? *To cut down on accidents and dangerous drivers.*

It would be IDEAL if the US 395 Corridor Improvement Project ALSO INCLUDES... *no imminent domain land confiscation!!!*

Why??? _____

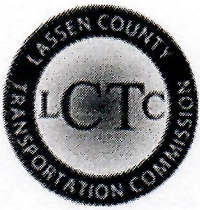

I might be CONCERNED if the US 395 Corridor Improvement Project... *Makes it even harder to get across 395 onto mainstreet Janesville.*

Why? Would anything minimize the concern(s)? _____

My worst FEAR is that the US 395 Corridor Improvement Project... *will cut into my property. Concerned about my riparian area behind my home between highway and the house + barns.*

Why? Would anything minimize the concern(s)? *Do not want the trees and creeks disturbed behind our home + the highway.*

Use the back side if needed to more fully explain!!!

I really HOPE the US 395 Corridor Improvement INCLUDES... Deer fencing, tunnels (livestock/wild life), additional passing lanes, increased truck speed limit to 65MHP

Why??? Safety - for fencing + tunnels, to help mitigate deer strikes and promote livestock safety. Passing lanes + increased truck speed limit for flow of traffic.

It would be IDEAL if the US 395 Corridor Improvement Project ALSO INCLUDES...

Why??? _____

I might be CONCERNED if the US 395 Corridor Improvement Project... EMINENT DOMAIN! Property loss for my family would be devastating. This could be a reason to move out of the state.

Why? Would anything minimize the concern(s)? Knowing how my family's property will be affected by possible expansion.

My worst FEAR is that the US 395 Corridor Improvement Project... Increased traffic + decreased property value with no improvement in safety.

Why? Would anything minimize the concern(s)? Law enforcement presence to increase safety.

Use the back side if needed to more fully explain!!!

I really HOPE the US 395 Corridor Improvement INCLUDES... placing signal lights allowing people to enter highway safely without going from a dead stop to 15mph or putting under or over pass that will also allow you to safely enter the highway. Also putting lights up in the area and pull off. Why??? Make the highway safer for drivers and not a death trap.

It would be IDEAL if the US 395 Corridor Improvement Project ALSO INCLUDES... placing a center divider even if they can't make ~~three~~ 4 lane with over and under pass. Why??? to prevent people passing and causing head on collision.

I might be CONCERNED if the US 395 Corridor Improvement Project... Have none. (We need to make changes so less people are killed on this highway. Why? Would anything minimize the concern(s)? ~~no~~

My worst FEAR is that the US 395 Corridor Improvement Project... (None) Hope we move forward for the safety of our friends and family. People lives are put on the line everytime they have to drive that highway. Why? Would anything minimize the concern(s)? ~~no~~

I really HOPE the US 395 Corridor Improvement INCLUDES... passing lanes w/ better signage -
Common speed limit for all.

Why??? Less invasive.

It would be IDEAL if the US 395 Corridor Improvement Project ALSO INCLUDES... ^{CHP} More enforcement
of speed limits, daytime headlight requirements,
phone & texting infractions - obvious citation

Why??? possibilities! These bad drivers are the
problem - not the hwy.

^{would} I might be CONCERNED if the US 395 Corridor Improvement Project... Becomes a complete 4 lane
express way

Why? Would anything minimize the concern(s)?
People live here (and move here) because it's NOT
an urban area, and not a rushed life style.

My worst FEAR is that the US 395 Corridor Improvement Project... Becomes a complete 4 lane
expressway

Why? Would anything minimize the concern(s)?
Many homes, ranches would be adversely affected due
to set-backs, loss of revenue for county (property taxes)
