Project Lists***

Susanville Active Transportation Improvement Projects

Mark 5 High Priority Projects

Project Name/Location	Project Description	Project Type	Facility	High Priority?
Susanville				
Alexander Avenue	Proposed bike route along Alexander Avenue, from Main (NE) to Modoc (SW) streets.	Bike	Class III	
Ash Street	Proposed bike lane from Hwy. 139, winding SE along Cornell Street, ending at Foss Street.	Bike	Class II	
Cherry Terrace	Proposed bike route beginning at the top of Cherry Terrace (Susanville Ranch Park), heading S to N Roop Street, and connecting to Main Street.	Bike	Class III	
Cherry Terrace Bike/Ped facilities	Class II bicycle lanes or sidewalk along full length of roadway to connect to Susanville Ranch Park and Meadowview School	Bike/Ped	Class II	
Gaps in sidewalk network in Susanville	Fill in gaps in sidewalk network	Ped	Sidewalk	
Grand Avenue	Extend sidewalks along Grand Avenue toward five-way intersection with Chestnut and Paul Bunyan	Ped	Sidewalk	
Johnstonville Road	Proposed bikeway upgrade--from Class III to Class II--running on Johnstonville Road from Riverside Drive (W) through to Johnstonville Road E.	Bike	Class II	
Lassen County Fairgrounds	Proposed bike path running from Paul Bunyan Road (W), through the fairgrounds, ending on Skyline Road (E).	Bike	Class I	
North Street	Proposed bike route along North Street, from N Roop Street (W) to Ash Street (E).	Bike	Class III	
Numa Road	Proposed bike lane along Numa Road, from Skyline Road (S) up to Spring Ridge Road (N).	Bike	Class II	
Paiute Lane	Proposed bike lane running from Paiute Lane (N) and winding SE along Chestnut to Hwy. 139.	Bike	Class II	
Paul Bunyan Bicycle Path	Class I trail from the intersection of Chestnut and Paul Bunyan north to Skyline Trail	Bike/ped	Class I	
Paul Bunyan Rd to Casino Bicycle Lanes	Class II bicycle lane along Paul Bunyan Road from Chestnut to Diamond Mountain Casino	Bike	Class II	
Paul Bunyan Road	Proposed bike route along Paul Bunyan Road, from Chestnut Street (N) to Derek Drive	Bike	Class III	
Richmond Road	Crosswalk between Bizz Johnson Trail and Depot parking lot	Ped	Crosswalk	
Richmond Road Bike Lanes	Class II bicycle lanes -from Depot to High School Driveway	Bike	Class II	
Riverside Drive Bike Lanes	Class II bicycle lane from Richmond Road to SR 36	Bike	Class II	
Riverside Drive Bike Path	Class I facility on the south side of Riverside Dr. from Fruit growers Park to where the Susan River Trail crosses Riverside Drive	Bike/ped	Class I	
Russell Avenue	Proposed bike route along Russell Avenue, from Paul Bunyan Drive (N) to Main Street (S).	Bike	Class III	
Skyline Bike Path Access from College	Provide a paved path behind the college and Banner/Lassen Hospital on roads already cleared of brush between the Skyline North path on Anderson Street.	Bike/ped	Various	
Skyline Bike Path Extension	Continuation of Class I facility to Bizz Johnson Trail with additional connections to Lassen Community College, Fairgrounds, Walmart, and Safeway	Bike/ped	Class I	
Skyline to Susanville Ranch Park Connection	Class I/II facility from Skyline Trail terminus along Skyline Rd, Paul Bunyan Rd and Cherry Terrace to Susanville Ranch Park	Bike	Class I/II	
Spring Ridge Road	Proposed bike lane along Spring Ridge Road, from Wada Street (East) to Highway 139.	Bike	Class II	
Spring Ridge Road to Susanville Ranch Park	Class I connector trail from Spring Ridge Rd (near mobile home park) to Susanville Ranch Park	Bike/ped	Class I	
SR 139 bicycle lanes in Susanville	Class I/II facility along SR 139 (Ash) between downtown and the Hospital, also connecting to the college	Bike/Ped	Class I/II	
SR 36 bicycle lanes in Susanville	Class II bicycle lanes through town	Bike	Class II	
SR 36 Complete Streets Projects	A variety of improvements to increase safety and mobility along SR 36 in downtown Susanville. This includes bulbouts, raised pedestrian refuge islands and rectangular rapid	Ped	Various	
SR 36/Main Street	Proposed bikeway upgrade--from Class III to Class II--running from S Pine Street (W) and out of town on Hwy. 36.	Bike	Class II	
Susan River Bike Path Extension	Continuation of Class I facility from Alexander Road to Richmond Road	Bike/ped	Class I	
Susan River Bike Path to Bizz Johnson Connection	Designate Class III Bike Route along Carroll Street and S. Lassen St.	Bike	Class III	
Susanville Ranch Park Access	Proposed bike path from Susanville Ranch Park, S along Paiute Creek, ending at the Stock Trail, which opens onto Cherry Terrace.	Bike	Class I	
Susanville Ranch Park Access	Pave the park trailhead and the existing connector trail to the main park trailhead, near Meadow View School.	Bike/ped	Various	
Susanville Rancheria -Spring Ridge Road	Proposed bike path connecting Paiute Lane (W) to Spring Ridge Road near the Rancheria	Bike	Class I	
Town Hill	Construct a paved overlook on SR 36 at the truck brake check pull-off at the top of Town Hill Add 2 benches, picnic tables and telescopes	Amenities		
Wayfinding Plan Projects	Various	Bike/ped	Various	
Weatherlow Street	Proposed bike route along Weatherlow Street, beginning at the Memorial Park (N) and ending at Riverside Drive (S).	Bike	Class III	

Lassen County Regional Active Transportation Improvement Projects

Mark 5 High Priority Projects

Project Name	Project Description	Project Type	Facility	High Priority?
Lassen County				
139 -Termo-Ravendale	Bike route along Termo-Grasshopper Road from SR 139 to US 395, Juniper Ridge Rd to Chicken Ranch Road in Ravendale	Bike	Class III	
Antola Road	Proposed bike route along Antola and Fish and Game roads through Wendell	Bike	Class III	
Center Road/A-27	Widen shoulders	Bike/Ped	Road	
Cheney Creek Road	Proposed bike route on Cheney Creek Road, running SW from Diamond View Middle School.	Bike	Class III	
Doyle Loop and Constantina Rd	Proposed bike route running SE on Doyle Loop Rd and Constantina Rd from Doyle back to US 395	Bike	Class III	
Eagle Lake Road	Widen shoulders	Bike/Ped	Road	
Gamier Road	Proposed bike route on Gamier Road, running S from Herlong Access Road to Hwy. 395	Bike	Class III	
Herlong Access Road	Proposed bike route on Herlong Access Road, running NE from Hwy. 395 to Herlong	Bike	Class III	
Janesville Bicycle Path	Class I bicycle path along Main Street from US 395 to SR 36	Bike	Class I	
Janesville Grade	Proposed bike route on Janesville Grade, running from Hwy. 395 (NE) to Rd28N01	Bike	Class III	
Little Valley Rd Bicycle Route	Class III bicycle route on Little Valley Road from Little Valley to Shasta County Line	Bike	Class III	
Mapes Ln in Standish	Proposed bike route along Mapes Lane, running E-W from Standish Buntingville Road to US 395	Bike	Class III	
Mooney Road (A 21)	Class I/II route on Mooney Road between SR 36 and downtown Westwood. Most importantly, between Old Town Road and Ash Street	Bike/Ped	Class I/II	
Mooney Road (A 21)	Proposed bike route on Mooney Road, running from SR 44 (N) to SR 36 (S)	Bike	Class III	
Mooney Road (A 21)	Class II route on A 21 between Westwood and Clear Creek Park	Bike	Class III	
Nubieber - Foothill Road Bicycle Route	Class III bicycle route near Nubieber on Old Cemetery Route to Foothill Road to 4 Corners Road to Kramer Road	Bike	Class III	
Nubieber - Kramer Road Bicycle Route	Class III bicycle route on Kramer Road from Nubieber to Modoc County Line	Bike	Class III	
Pumpkin Center Rd	Proposed bike route NE of New Bieber, from Susanville Road (N) to the intersection of Thompson and Pumpkin Center roads (S)	Bike	Class III	
Richmond Road from Diamond View School to Johnstonville	Existing Class III, proposed to become Class II, running from Susanville to Johnstonville	Bike	Class II	
SR 139 from Susanville to Modoc County Line	Bike lane along SR 139 from Susanville City Limit to Modoc County Line	Bike	Class II	
SR 299 from Shasta County Line to Modoc County Line	Bike lane on SR 299 from Shasta County Line to Modoc County Line	Bike	Class II	
SR 36 from Plumas County Line to Jct with US 395 near Janesville	Class II bicycle lanes (Susanville section included in separate table)	Bike	Class II	
SR 36 near Westwood	Widen Robbers Creek Bridge	Bike/Ped	Road	
SR 44 from Shasta County Line to SR 36	Existing Class III, proposed to become Class II, rom Shasta County line to SR 36	Bike	Class II	
Standish-Buntingville (A3)	Widen shoulders	Bike	Road	
Susanville Road	Proposed bike route NE of New Bieber, from Susanville Road (N) to the intersection of Thompson and Pumpkin Center roads (S)	Bike	Class III	
US 395 Likely-to-Litchfield	Proposed bike lane from Modoc County line (near Likely) to Litchfield	Bike	Class II	
US 395 Litchfield to Jct SR 36	Bike lane along US 395 between Litchfield and SR 36	Bike	Class II	
US 395 Sierra County Line to Jct SR 36	Bike lane from Sierra County line north to the junction with SR 36	Bike	Class II	
Westwood	Sidewalks	Ped	Sidewalks	
Westwood SR 36 and A 21	Pedestrian crossing at intersection	Ped	Crosswalk	
Westwood to Clear Creek	Class II/III bicycle lanes between Westwood and Clear Creek along 3rd St/A 21 and 147	Bike	Class II/III	
Recreational Trails				
Modoc Rail Trail	Improve Access and Signage	Multi-use	Rec	
Eagle Lake to Spaulding Trail	Multi-use trail along east side of Eagle Lake through USFS land from the south side of Eagle Lake north to Spaulding	Multi-use	Rec	
Bizz Johnson Trail	Extend to Town of Westwood from Mason Station	Multi-use	Rec	
Bizz Johnson Trail	Extension of Bizz Johnson Trail to Litchfield and Wendel along old railroad alignment	Multi-use	Rail Trail	
Connection to Almanor Rail Trail	Obtain an easement from private landowners to grade and gravel Big Springs Road to connect with the Almanor Rail Trail at Clear Creek Junction and Chester.	Multi-use	Rec	
Mountain Meadows Gateway Tra	Provide trailhead facilities	Multi-use	Rec	
Fredonyer Pass	Construct an approximately 28-mile, stacked loop trail system at Fredonyer Pass off SR 36 that connects to the Bizz Johnson Trail in two places.	Multi-use	Rec	

Staff Priority Recommendations

Susanville Active Transportation Improvement Projects

Prioritized

Project Name/Location	Project Description	Project Type	Facility	High Priority
Susanville				
Riverside Drive Bike Path	Class I facility on the south side of Riverside Dr. from Fruitgrowers Park to where the Susan River Trail crosses Riverside Drive	Bike/ped	Class I	x
Skyline to Susanville Ranch Park Connection	Class I/II facility from Skyline Trail terminus along Skyline Rd, Paul Bunyan Rd and Cherry Terrace to Susanville Ranch Park	Bike	Class I/II	x
SR 139 bicycle lanes in Susanville	Class I/II facility along SR 139 (Ash) between downtown and the Hospital, also connecting to the college	Bike/Ped	Class I/II	x
Skyline Bike Path Extension	Continuation of Class I facility to Bizz Johnson Trail with additional connections to Lassen Community College, Fairgrounds, Walmart, and Safeway	Bike/ped	Class I	x
SR 36 Complete Streets Projects	A variety of improvements to increase safety and mobility along SR 36 in downtown Susanville. This includes bulbouts, raised pedestrian refuge islands and rectangular rapid flashing beacons (RRFB). A particularly dangerous area is near Mesa St.	Ped	Various	x
Cherry Terrace	Proposed bike route beginning at the top of Cherry Terrace (Susanville Ranch Park), heading S to N Roop Street, and connecting to Main Street.	Bike	Class III	
Paul Bunyan Bicycle Path	Class I trail from the intersection of Chestnut and Paul Bunyan north to Skyline Trail	Bike/ped	Class I	
Paul Bunyan Rd to Casino Bicycle Lanes	Class II bicycle lane along Paul Bunyan Road from Chestnut to Diamond Mountain Casino	Bike	Class II	
Richmond Road Bike Lanes	Class II bicycle lanes -from Depot to High School Driveway	Bike	Class II	
Riverside Drive Bike Lanes	Class II bicycle lane from Richmond Road to SR 36	Bike	Class II	
SR 36 bicycle lanes in Susanville	Class II bicycle lanes through town	Bike	Class II	
Ash Street	Proposed bike lane from Hwy. 139, winding SE along Cornell Street, ending at Foss Street.	Bike	Class II	
Cherry Terrace Bike/Ped facilities	Class II bicycle lanes or sidewalk along full length of roadway to connect to Susanville Ranch Park and Meadowview School	Bike/Ped	Class II	
Gaps in sidewalk network in Susanville	Fill in gaps in sidewalk network	Ped	Sidewalk	
Susanville Rancheria -Spring Ridge Road	Proposed bike path connecting Paiute Lane (W) to Spring Ridge Road near the Rancheria	Bike	Class I	
Richmond Road	Crosswalk between Bizz Johnson Trail and Depot parking lot	Ped	Crosswalk	
Spring Ridge Road to Susanville Ranch Park	Class I connector trail from Spring Ridge Rd (near mobile home park) to Susanville Ranch Park	Bike/ped	Class I	
Susan River Bike Path Extension	Continuation of Class I facility from Alexander Road to Richmond Road	Bike/ped	Class I	
Alexander Avenue	Proposed bike route along Alexander Avenue, from Main (NE) to Modoc (SW) streets.	Bike	Class III	
Grand Avenue	Extend sidewalks along Grand Avenue toward five-way intersection with Chestnut and Paul Bunyan	Ped	Sidewalk	
Johnstonville Road	Proposed bikeway upgrade--from Class III to Class II--running on Johnstonville Road from Riverside Drive (W) through to Johnstonville Road E.	Bike	Class II	
Lassen County Fairgrounds	Proposed bike path running from Paul Bunyan Road (W), through the fairgrounds, ending on Skyline Road (E).	Bike	Class I	
SR 36/Main Street	Proposed bikeway upgrade--from Class III to Class II--running from S Pine Street (W) and out of town on Hwy. 36.	Bike	Class II	
North Street	Proposed bike route along North Street, from N Roop Street (W) to Ash Street (E).	Bike	Class III	
Numa Road	Proposed bike lane along Numa Road, from Skyline Road (S) up to Spring Ridge Road (N).	Bike	Class II	
Paiute Lane	Proposed bike lane running from Paiute Lane (N) and winding SE along Chestnut to Hwy. 139.	Bike	Class II	
Paul Bunyan Road	Proposed bike route along Paul Bunyan Road, from Chestnut Street (N) to Derek Drive	Bike	Class III	
Russell Avenue	Proposed bike route along Russell Avenue, from Paul Bunyan Drive (N) to Main Street (S).	Bike	Class III	
Spring Ridge Road	Proposed bike lane along Spring Ridge Road, from Wada Street (East) to Highway 139.	Bike	Class II	
Susan River Bike Path to Bizz Johnson Connection	Designate Class III Bike Route along Carroll Street and S. Lassen St.	Bike	Class III	
Susanville Ranch Park Access	Proposed bike path from Susanville Ranch Park, S along Paiute Creek, ending at the Stock Trail, which opens onto Cherry Terrace.	Bike	Class I	
Susanville Ranch Park Access	Pave the park trailhead and the existing connector trail to the main park trailhead, near Meadow View School.	Bike/ped	Various	
Skyline Bike Path Access from College	Provide a paved path behind the college and Banner/Lassen Hospital on roads already cleared of brush between the Skyline North path on Anderson Street.	Bike/ped	Various	
Town Hill	Construct a paved overlook on SR 36 at the truck brake check pull-off at the top of Town Hill Add 2 benches, picnic tables and telescopes	Ammenities		
Wayfinding Plan Projects	Various	Bike/ped	Various	
Weatherlow Street	Proposed bike route along Weatherlow Street, beginning at the Memorial Park (N) and ending at Riverside Drive (S).	Bike	Class III	

Lassen County Regional Active Transportation Improvement Projects

Project Name	Project Description	Project Type	Facility	High Priority?
Lassen County				
Mooney Road (A 21)	Class I/II route on Mooney Road between SR 36 and downtown Westwood. Most importantly, between Old Town Road and Ash Street	Bike/Ped	Class I/II	x
Westwood to Clear Creek	Class II/III bicycle lanes between Westwood and Clear Creek along 3rd St/A 21 and 147	Bike	Class II/III	x
