I really HOPE the US 395 Corridor Improvement INCLUDES...

Good deer fencing and/or  
WLD LIFE TUNNELS

Why???

Less Deer HITS

It would be IDEAL if the US 395 Corridor Improvement Project ALSO INCLUDES...

ROAD LIGHTS (SOLAR)  
IN THE TOWN AREAS (Through MILFORD, DOYLE,  
JARRISVILLE)

Why???

SAFER NIGHT DRIVING, ENTERING & EXITING IN  
TOWN

I might be CONCERNED if the US 395 Corridor Improvement Project...

WORKS ALL DAY & CLOSERS OFF  
THE ROADS FOR TRAFFIC

Why? Would anything minimize the concern(s)?

NIGHT WORK - COOLER FOR WORKERS, ALLOW BETTER <sup>unimpeded</sup> ~~TRAFFIC~~  
WORK DUE TO LESS TRAFFIC, & ROADS OPEN FOR  
DAYTIME TRAFFIC

My worst FEAR is that the US 395 Corridor Improvement Project...

TAKES 20 YEARS TO COMPLETE  
OR FALLS THROUGH

2. Funds are wasted fixing roads that are still good,

Why? Would anything minimize the concern(s)?

ignoring real bad  
ie AS work now - just done last yr

Use the back side if needed to more fully explain!!!
